

“SHARE THE LOVE” BINGO

One way that you can be on mission for God is treating others the way you want to be treated. Perform some of these kind acts and when you get five in a row, bring this paper back with a parent/guardian signature to receive another Kids on a Mission Pin! Each BINGO gives you another pin.

Held the door open for someone	Picked up a piece of trash that I found	Helped wash the dishes	Did a chore without being asked	Gave 5 people compliments
Wrote a thank you note for our mail delivery person	Asked someone how their day was	Let someone go in front of me in line	Helped clean up when someone else dropped something	Left friendly notes or quotes on cars in the parking lot
Called a family member to see how their day is going	Donated old toys or clothes to someone in need	Put LOVE in the mix <i>Free Space</i>	Asked someone how I could pray for them	Returned someone's cart for them at the grocery store
Left a dollar on a vending machine for the next person	Made a kind card to send to someone to cheer them up	Made a thank you card for someone in my family	Invited someone new to come play with me	Offered a high five to someone new
Invited a friend to come to church with me	Helped cook dinner	Baked a treat to give my neighbor	Brought a thank you note to my local fire or police department	Volunteered to do a chore that isn't mine

Take pictures while completing these tasks and tag us so we can join in on the fun!
