

## **ACTIVITY: COMPLIMENTS**

*Made to Connect: an activity that invites kids to share with others and build on their understanding*

**What You Need:** No supplies needed

### **What You Do:**

- Guide your family to gather around you.
- Lead each person to compliment the other people in the family.
- Help them come up with ideas if someone gets stuck
- Call out the name of one family member and invite the other family members to each say a compliment about them. Add your own compliment, too.
- Continue until each family member receives at least three compliments

### **What You Say:**

“God made each of you special and unique. You are valuable to Him, and He loves you just the way you are! And just like God loves each of you exactly the way you are, God loves others exactly the way they are, too. Since God loves others, can you love them, too? Yes! Because **[Bottom Line] knowing Jesus changes the way you see others.** And when you see others the way that God sees them, you can love them just like He does. Let’s pray.”

Lead kids in prayer, asking God to help kids see others the way He sees them and love others the way He loves them.
