

# SUMMER IN THE PSALMS

## PLUS 30

### PSALMS SUMMER READING PLAN

Pastor Doug is encouraging each of us to read through the book of Psalms twice this summer, but no need to feel overwhelmed. Whether on a beach, lounging in your backyard, or comfy on the couch, you can do this!

For this reading plan, you will read five Psalms each day, beginning with the Psalm that corresponds with the date and then adding 30 to it until you have read five Psalms. Some days will only have four, and we're saving Psalm 119 for the 31st of July and August. Use the "Plus 30" plan laid out below, and if you miss a day just go to the current day's date and continue with the plan.
